UPFITS.**

Upfit Services

**We've assembled the best  
to fit your upfit needs.**

With more than 40 years and millions of miles of ride-alongs, Utilimaster is the master at upfitting cargo and utility vans. We've brought together the best in the business to ensure big and small fleets are perfectly equipped to deliver on all their promises.

We've redefined and re-engineered the entire upfit process so you can work with one partner, one team, and one P.O. to get everything you need done. Once we've studied your specs and fleet needs, we bring together the finest suppliers of shelving, storage, bulkhead partitions, ladder racks, refrigeration, HVAC, lighting, and whatever your vans need to run fast, efficiently, and economically.

Our decades on the road and proven relationships with some of the world's largest fleets will give you the confidence you need to build the best fleet possible. And help drive you successfully into the future.

## **We've got you upfitted. Inside and out.**

Every fleet is unique. From delivering food and beverage to servicing utilities to dropping off parcels, your fleet requires the perfect upfit to get your very specific work done. The ultimate goal at Utilimaster is to enhance your cargo-area organization to give your drivers easy access to the exact goods and tools they need, always with speed, simplicity, and safety. We meet Federal Motor Vehicle Safety Standards compliance regulations — on time and on budget.

All you need to do is supply us with your specs and let us learn about your business. Then, we'll tap into our vast vocational experience to deliver your completed fleet efficiently. You'll never have to juggle schedules and budgets with multiple vendors. Because Utilimaster Upfit Services is your one-stop, bumper-to-bumper upfit solution partner.

**Ford:** Utilimaster Upfit Services's Kansas City facility, located next to the Ford plant, offers ship-thru time and cost savings for any Ford transit upfit including refrigeration. As a Ford Qualified Vehicle Modifier, Utilimaster delivers quality upfits as well as 3M Certified Graphics.

**Mercedes-Benz:** Operating out of the Ladson, SC, facility, minutes from the Sprinter plant, Utilimaster Upfit Services is part of the Mercedes-Benz Master Upfitter network, meaning all our upfits meet the highest quality standards with the added benefit of cost and time ship-thru savings plus 3M Certified Graphics.

## Ship-thru speed, savings, and simplicity.

Much like our upfit partners, we work directly with the best OEM manufacturers in the industry. In fact, we've strategically located our upfit facilities within minutes of the largest cargo van building plants across the country. So we can work seamlessly to significantly shorten build times. Getting your fleet on the road to success with minimal wait and maximum value.

**RAM®:** Located minutes from the RAM production plant, our Saltillo, MX, facility provides quality upfit products and installations, ship-thru savings, and 3M Certified Graphics for any ProMaster or RAM Heavy Duty Pickup upfit.
